January 20, 2022

Dear Parents & Guardians,

After receiving the latest update from the National Weather Service, athletic events scheduled for Saturday, January 22nd will take place as initially planned. This includes the Alumni Game. Please connect with the Tipoff Club for more information. The current models indicate that the weather system should be clearing out by Saturday morning.

We will continue to monitor this situation, and should any changes occur will notify you as soon as possible. Student and staff safety will remain a top priority. We thank you for your patience as we waited for the most recent weather models. Friday, January 21st will remain a virtual learning day for students. If you have questions or concerns, please contact your school or email info@wacoschools.org.

Thank you,

Dr. Rickey L. Edmond
Superintendent
